You can cancel a Direct Debit at any time by simply contacting your Bank or Building Society. Written confirmation may be required. Please also notify us.

# Your Legacy of Smiles – remember Smile Train in your Will

Smile Train's vision is a world where every person with a cleft is able to live a full and happy life, wherever they are and whatever their circumstances. Last year, more than a third of our income was received thanks to generous donors who chose to leave a gift in their Will for Smile Train UK. Every one of those gifts helped us to power ahead with our ambition to change the world one smile at a time.

Leaving a gift in your Will now could not only play a vital role in supporting our future work, but make a long-lasting difference in communities all over the world.

Thanks to you, future children who receive life-saving surgery could be enabled to fulfil their potential, without needing to overcome the profound medical and social challenges that can come with having a cleft.

Every new health professional we train could be empowered to provide 365-day care in their communities and to train the next generation of medical professionals too.

Once you have provided for those closest to you, a gift to Smile Train can transform lives for generations to come. With your help, we can continue our work until every child in need has access to the cleft care they deserve.
